

EQUALITY IMPACT ASSESSMENT – INITIAL SCREENING TEMPLATE (IST)

Initial screening needs to take place for all new/revised Council policies. The word ‘policy’, in this context, includes the different things that the Council does. It includes any policy, procedure or practice - both in employment and service delivery. It also includes proposals for restructuring, redundancies and changes to service provision. This stage must be completed at the earliest opportunity to determine whether it is necessary to undertake an EIA for this activity.

Name of Policy:	Job Evaluation Policy
Lead Officer (responsible for assessment):	Nicole Pema, HR Manager
Department:	HR
Others Involved in the Assessment (i.e. peer review, external challenge):	
Date Initial Screening Completed:	January 2021

- (a) **What is the policy trying to achieve?** i.e. What is the aim/purpose of the policy? Is it affected by external drivers for change? What outcomes do we want to achieve from the policy? How will the policy be put into practice?

The Council is committed to implementing and maintaining job evaluation and grading procedures fairly and consistently and in compliance with equal pay requirements.

The purpose of job evaluation is to provide a systematic and consistent approach to defining the relative worth of jobs within the Council, and to ensure that where work is the same or of broadly similar nature all employees will be treated equally and any pay differential will be justifiable on the basis of a genuine material factor and does not discriminate on unlawful grounds.

- (b) **Who are its main beneficiaries?** i.e. who will be affected by the policy?

The Job Evaluation policy and procedure applies to all staff directly employed by the Council. It does not apply to the Chief Executive, Directors or Statutory Officers where separate arrangements apply.

- (c) **Is this assessment informed by any information or background data?** i.e. consultations, complaints, applications received, allocations/take-up, satisfaction rates, performance indicators, access audits, census data, benchmarking, workforce profile etc.

The Policy is informed by:

- a) Equality Act 2010.
- b) NJC Job Evaluation Scheme.
- c) Extra Responsibility Allowance Policy.
- d) Acting Up Allowance Policy
- e) Consultation with the Council’s Joint Consultative Committee (JCC) and Unison.

(d) Does this policy have the potential to cause a positive or negative impact on different groups in the community, on the grounds of any of the protected characteristics (please tick all that apply):

Ethnicity	<input type="checkbox"/>	Age	<input type="checkbox"/>
Sex	<input checked="" type="checkbox"/>	Religion or Belief	<input type="checkbox"/>
Disability	<input type="checkbox"/>	Sexual Orientation	<input type="checkbox"/>
Gender Reassignment	<input type="checkbox"/>	Marriage & Civil Partnership	<input type="checkbox"/>
Pregnancy & Maternity	<input type="checkbox"/>		

Please explain any impact identified: i.e. What do you already know about equality impact or need? Is there any evidence that there is a higher or lower take-up by particular groups? Have there been any demographic changes or trends locally? Are there any barriers to accessing the policy or service?

As set out in the Equality Act 2010, men and women in the same employment performing equal work must receive equal pay, unless any difference in pay can be justified. It is the law and employers must follow it.

The purpose of job evaluation is to provide a systematic and consistent approach to defining the relative worth of jobs within the Council, and to ensure that where work is the same or of broadly similar nature all employees will be treated equally and any pay differential will be justifiable on the basis of a genuine material factor and does not discriminate on unlawful grounds.

The policy aims to ensure a fair and effective method of evaluating jobs and ensuring that grading decisions are consistently applied across the Council and all employees are treated equally.

The Council is committed to implementing and maintaining job evaluation and grading procedures fairly and consistently and in compliance with equal pay requirements.

(e) Does the policy affect service users or the wider community?	<input type="checkbox"/>	NO
(f) Does the policy have a significant effect on how services are delivered?	<input type="checkbox"/>	NO
(g) Will it have a significant effect on how other organisations operate?	<input type="checkbox"/>	NO
(h) Does it involve a significant commitment of resources?	<input type="checkbox"/>	NO
(i) Does it relate to an area where there are known inequalities, e.g. disabled people's access to public transport etc?	<input type="checkbox"/>	NO

If you have answered **YES** to any of the questions above, then it is necessary to proceed with a full equality impact assessment (EIA). If the answer is **NO**, then this judgement and your response to the above questions will need to be countersigned by your Service Lead Officer and then forwarded to the HR Manager.
