- 6. TO RECEIVE PETITION(S)** **[oral]**
- 7. NOTICE OF MOTIONS UNDER PROCEDURE RULE 10**
  - a) Changes to the Winter Fuel Allowance and Protecting Pensioners from Fuel Poverty**

This Council notes:

- The Labour Government's cruel decision to take away Winter Fuel Payments from all pensioners except those in receipt of means-tested benefits like Pension Credit.
- The estimated impact of this decision, which Age UK says will mean 2 million pensioners who badly need the money to stay warm this winter, including 16,658 pensioners in East Cambridgeshire, will not receive it.
- The significant role that Winter Fuel Payments play in helping older residents of East Cambridgeshire and across the UK afford heating during the coldest months, thereby preventing 'heat or eat' dilemmas and safeguarding health.

- The criticism from Age UK, the Countryside Alliance and other charities, highlighting the social injustice and potential health risks posed by this sudden policy change.
- The additional strain this decision will place on vulnerable pensioners, many of whom do not claim Pension Credit despite being eligible, further exacerbating their financial hardship.

This Council believes:

- That the Winter Fuel Payment has been a lifeline for many older people across the UK and that restricting its availability solely to those on Pension Credit risks leaving many pensioners in financial hardship.
- Many thousands across East Cambridgeshire sit just above the cut-off for Pension Credit and will now lose their allowance.
- The decision to means-test Winter Fuel Payments, especially with such short notice and without adequate compensatory measures, is deeply unfair and will disproportionately affect the health and well-being of our poorest older residents.
- The Government's approach fails to consider the administrative barriers and stigma that prevent eligible pensioners from claiming Pension Credit, leaving many without the support they desperately need.

This Council resolves to:

- Increase the Council's local awareness campaign which has been underway for several weeks now, to alert those eligible for Pension Credit to apply by the deadline of 21st December 2024, to try to ensure Winter Fuel Payments still get to those most in need.
- Continue to encourage local efforts to promote Pension Credit uptake through Council services, Anglia Revenues Partnership, and other partnerships with local charities and community organisations to ensure that all eligible pensioners in East Cambridgeshire are supported in claiming their entitlement.
- Request that the Council Leader write to the Chancellor of the Exchequer, urging a review of the decision to means-test the Winter Fuel Payment and asking the Government to take urgent steps to ensure that vulnerable pensioners, particularly those who do not claim Pension Credit, are protected from fuel poverty.
- Write to all Members offering them the opportunity to sign the 'Save the Winter Fuel Payment for Struggling Pensioners' petition being run by Age UK.

**Seconder: Cllr Julia Huffer**

## **b) Sea Toilets**

This Council notes the importance to our area of the Great Ouse and its tributaries, for navigation, leisure, and the conveyance of water.

This Council further notes that control of the Great Ouse rests with the Environment Agency which currently permits the use of sea toilets which discharge human waste and other materials directly into the river.

The discharge of sea toilets is permitted by regulation on all inland waterways unless specifically banned.

This Council believes that this practice should be prohibited on the Great Ouse and its tributaries, and therefore resolves to request the Environment Agency to take the necessary steps to achieve a ban.

**Seconder: Cllr Lorna Dupré**
