 - 3.How many residential development applications were rejected planning permission in the financial year 2023/24?

- Finally, I would like to request a copy of your latest brownfield land register.

Response:

- 1.To the best of our knowledge and working on information received from Approved Inspectors, the number of new build dwellings completed during the period 01.04.2023 – 31.03.2024 is as follows:
Number completed under the control of the Local Authority = 172
Number advised by Approved Inspectors (Private Building Control Companies such as NHBC who look after sites for Taylor Wimpey, Persimmon etc) = 436
Total = 608 dwellings
2. This information can be found using the councils public access webpage (<https://www.eastcambs.gov.uk/planning/current-planning-applications>). Under the Advanced Search you can select Dwellings – LGS Major (10+ Units), Dwellings - Minor (1-9 units) in the **Development Type** field.
If you are interested in prior notification applications, for example Class E to Residential, Agricultural to residential, etc. you will also need to look through those applications under Notifications.
You can further filter by **Decision** (Approve, Refuse, etc.) and by **Decision Date**.
3. As above, by changing the filter in the **Decision** field.
4. East Cambridgeshire District Council does not manage the Social Housing Register. The social housing register and housing stock was transferred to Sanctuary Housing in 1993. We re-direct all FOI requesters asking for information on Social Housing to: east@sanctuary-housing.co.uk
